New Business

Payment activities	Investment activities	Account activities
<ul style="list-style-type: none"> → New/amend prod payment → Payments out → Crystallise pension benefits → Change pension payments 	<ul style="list-style-type: none"> → New investment transaction → Quote and Deal → Remove assets from Disc Mgmt 	<ul style="list-style-type: none"> → Generate new illustration → Generate drawdown illustration → Generate existing illustration → Generate an Income Illustration

How to Guide: Selling Investment Funds

9. This opens the investment wizard which is used for purchases and sales. Select the product wrapper using the drop-down box and indicate whether advice has been given on the investment. The order type allows you to select either a one off or regular sale. Once entered click on next.

10. This now brings up a list of existing investments that may be sold.

Investment	Available Units	Market Value	Sell All	Order Settlement Currency	Order Value	Order Quantity	Order Type
GNOL_GB - Aberdeen Asia Pcf & Jpn ...	19,876.6900	GBP 30,005.85	<input type="checkbox"/>	GBP		Units %	At Market
GPQL_GB - Newton UK Equity I W Inc	39,833.5830	GBP 58,527.48	<input type="checkbox"/>	GBP		Units %	At Market

11. You can select a value to sell, quantity or percentage and enter into the respective fields, you can also tick the sell all. In the below example we are selling 50% of the holding.

Investment	Available Units	Market Value	Sell All	Order Settlement Currency	Order Value	Order Quantity	Order Type
GNOL_GB - Aberdeen Asia Pcf & Jpn ...	19,876.6900	GBP 30,005.85	<input type="checkbox"/>	GBP		Units 50 %	At Market
GPQL_GB - Newton UK Equity I W Inc	39,833.5830	GBP 58,527.48	<input type="checkbox"/>	GBP		Units %	At Market

12. Click on next.

13. The next screen is where you choose the investment you wish to purchase, this can be skipped if you are only selling.

14. When you are happy click on next, as we are not carrying out a switch click next on the following screen.

15. Likewise click next on the screen for conversions.

How to Guide: Selling Investment Funds

16. The final screen provides a summary of the investments to be sold.

Batch ID:	710536
Available Funds:	GBP -716.39
Available Funds Currency:	GBP <input checked="" type="checkbox"/>
Batch Type:	One-Off

Investment Description	Live Price	End of Day Price	Sell Value (GBP)	Sell Quantity	Status
GNOL.GB - Aberdeen Asia Pcfc & Jpn Eqty I Acc			15,002.92	9,938.3400	Created
Estimated Total Sell Trade Value			15,002.92
